

Congressmen See Drydock

Fifteen congressmen Tuesday inspected the Hunter's Point dry dock facilities, which are just over the northern boundary of San Mateo County, where \$6,500,000 of a federal appropriation will be expended soon for new drydocks.

The congressional tour was originally scheduled as an "inspection visit" but the war situation abroad increased importance of the trip and brightened hopes for enlargement of the Pacific Coast program for naval bases.

REDWOOD CITY'S BEL CANTO, SOLOISTS GAIN FAIR HONORS

Competing with some of the outstanding mixed choruses on the Pacific Coast, including two from San Francisco, Redwood City's one-year-old Bel Canto Chorus directed by Eugene P. Fulton today was in possession of second honors at the Elstedford Music Festival at Treasure Island.

The contest was conducted Saturday night and early Sunday morning before a capacity crowd in Festival Hall on the island. It was well after midnight when the Redwood City chorus of more than 90 voices, last of the competing organizations, took its turn.

The judges deliberated for some time before placing the Claremont Choral Society of Berkeley ahead of the Redwood City group in the mixed chorus group, but the recognition of the little-known, recently organized Redwood City chorus was considered a triumph in musical circles. The second place carried an award of \$150.

LOCAL SOLOISTS WIN
In third place was San Francisco Welsh Chorus, directed by James I. Sherwood and numbering in its ranks 20 professional singers.

Miss Carol Woodhams of Redwood City won second place in the contralto solo competition with her rendition of Pearl Curran's "Nocturne." Mrs. Margaret Gilboy, member of the chorus who was scheduled to enter the soprano solo contest, was unable to compete because of a recent throat ailment.

Miss Woodhams is the daughter of Mr. and Mrs. Clifton H. Woodhams, 77 Claremont St. She won \$10 for her achievement. A student last year at the California College of Arts and Crafts in Oakland and the year before at Stanford University, she plans to study both art and music this year at a college yet to be decided on.

Robert Stebbins, 9-year-old son of Mr. and Mrs. Henry Stebbins of Old County Rd. and Holly St., San Carlos, won two awards in the competition—first with his rendition of "Beautiful America" for soloists under 12 years of age, and second for his singing of the difficult "Come Faithful Lord" (Handel's Largo from Xerxes) for boy sopranos under 15. First in this class was won by Gerald Britland of Los Angeles.

Underpass For Sequoia Wins City Attention

Study of Possibility Of Project Planned By Mayor, Manager

First steps toward eventual construction of an underpass between the Sequoia High School campus and downtown Redwood City were taken by the city council Tuesday night.

Mayor Louis C. Christensen and City Manager C. L. Dimmitt were authorized by the council to make a study to determine feasibility, cost, financing methods and most desirable location of such an underpass, proposed recently by Redwood City Post 105, American Legion, and Court Madrone 138, Foresters of America.

It was the reading of a letter from the Foresters Lodge which provoked a discussion of the project leading to the definite action. Court Madrone urged an investigation of the possibility of building an underpass under El Camino Real when the highway is widened south of Broadway. An expected letter, similar in nature, from the Legion was not presented.

Councilman Paul A. McCarthy, who later made the motion which provoked the action, pointed out that inquiry should be made as to cost, how it could be financed, and especially where it should be located.

"There are so many questions involved in such a project that it will take some time to prepare a definite plan," he declared in urging action.

City Manager Dimmitt expressed the belief that it might be possible to secure federal funds for the project through the State Highway Commission.

Howard Firm Redeems Peninsula Beach Area

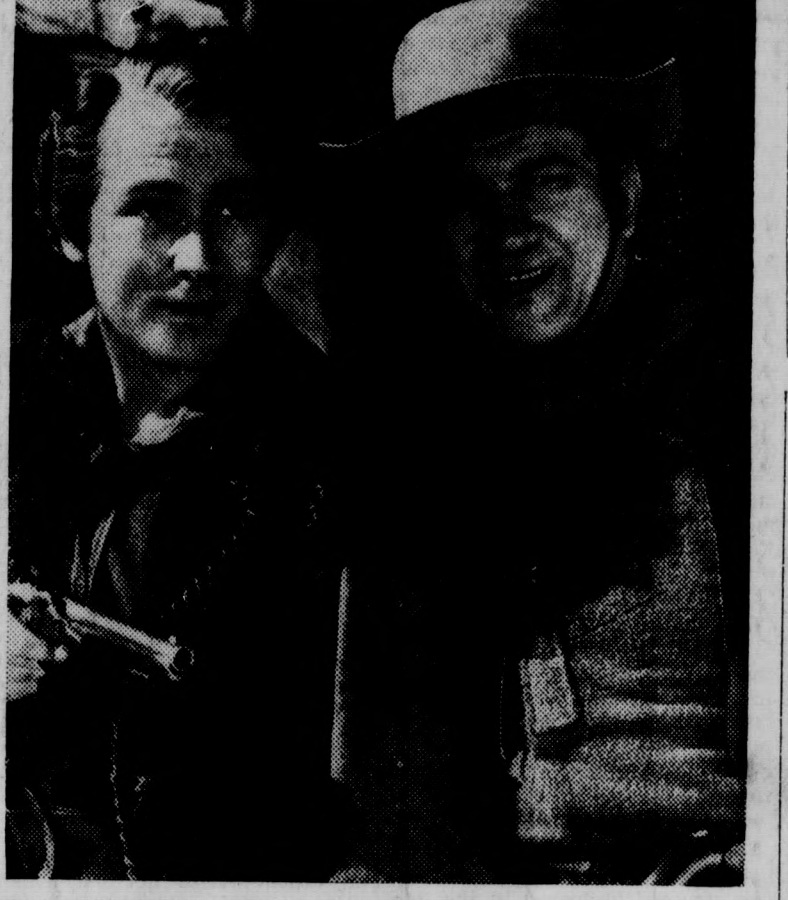

Howard Estate Co. today had removed Peninsula Beach and surrounding tidelands from the possibility of public tax sale by paying in full all county taxes due to date. The check for \$5998.54 was received by County Treasurer A. H. Sagehorn Thursday, deadline for redemption without imposition of penalties. From Aug. 20 to Aug. 31 the property, more than five years delinquent, was technically owned by the State of California and subject to public tax sale. The land, comprising 383 acres, has been offered to the county as a park site for \$45,000.

'CAPTAIN FURY' AT REDWOOD

Playing tonight through Saturday at the Redwood Theater is the exciting and romantic adventure picture, "Captain Fury," starring Brian Aherne and Victor McLaglen. The companion feature on this dual bill is, "The Kid From Kokomo," and shows Wayne Morris in the title role with Pat O'Brien and Joan Blondell heading a strong supporting cast.

Transit Shed Space Rented Clash Marks Night Session

Not only will the 100x300-foot, recently-completed warehouse at the Port of Redwood City be filled with canned fruit awaiting shipment from the municipal harbor, but the transit shed as well, will hold many cases before the shipping season begins, it appeared today as a result of action taken by the board of port commissioners Tuesday.

Meeting with newly appointed Port Manager Leslie M. Rudy, the board held a lengthy discussion of various phases of operation of the municipal harbor, and approved a request of Schuckl & Co., Santa Clara Valley canning firm, that it be permitted to rent storage space in the transit shed as well as in the warehouse.

Manager Rudy told the commission that Schuckl probably would store 250,000 cases of Sunnyvale-canned fruit here for shipping this Winter. From the newly-developed business, the port will derive revenue from storage on a per-case basis; from handling, and from service charges when the fruit is shipped.

The European War may result in the fruit being held here longer than anticipated, since much of it is destined for distribution in the United Kingdom.

Shipment of the canned goods

Chorus Plans Yule Program For Peninsula

As a "Christmas Gift to the Peninsula," the City of Redwood City will present its prize-winning Bel Canto Chorus of more than 90 voices in a free concert Dec. 15, if plans which won approval of the musical organization and the city council Tuesday night are carried out.

After hearing former Mayor Charles G. Lambert, a member of the choral group which captured second place in the Welsh Elstedford Music Festival at Treasure Island, explain the advantages of such a concert, especially from a publicity standpoint, the council voted to spend up to \$350 to stage the musical spectacle. The funds would be used for purchasing music and employing the necessary soloists. Lambert thought expenditures would be far less than the amount pledged.

The concert probably would be given on two succeeding nights, likely in Sequoia High School Auditorium, Lambert said.

All the councilmen agreed with Lambert that such a concert would serve to emphasize to outsiders the cultural development of Redwood City, which boasts of having become the "Music Center of the Peninsula" by virtue of its Bel Canto Chorus, formed a year ago; its municipal band and its symphony orchestra, both young organizations; its Sequoia High School and elementary school musical organizations.

As the council authorized presentation of the concert, it paid the chorus high tribute through Councilman Paul A. McCarthy, who explained that the "council recognizes the services given to Redwood City by the chorus in its successful competition at the Elstedford at Treasure Island and commends the Bel Canto Chorus for the zeal it has shown in preparing for the victory in this competition." He also complimented Miss Carol Woodhams, who won second place for contralto soloists. (Additional praise for the chorus is contained in a letter in the Forum column, page 4).

S. F. WINS EXCHANGE MEET

Redwood City and other Peninsula members of the Exchange Club were pleased today to hear that the 1940 national convention had been awarded San Francisco. This year's convention, which closed yesterday, was held in Atlantic City, N. J.

County Escapes Highway Deaths; Citations Given

San Mateo County's traffic accident record for the Labor Day weekend equalled the record for the same weekend a year ago when heavy traffic was handled without death or critical injury, the California Highway Patrol reported here.

Sergeant Manfred Walzberg, in charge of the county squad during Capt. E. F. Cassell's absence, gave this summary: one accident Saturday, no accidents Sunday, five accidents Monday, including three non-injury crashes.

If you want to keep it a secret, don't put it in the Want Ads.

Wiedemann's Recall Urged

Recall of Capt. Fritz Wiedemann, German consul general in San Francisco who lives in Hillsborough, was asked Tuesday by the German-American Culture League in meeting in national convention in Cleveland, Ohio.

Wiedemann is the former private adjutant to Adolf Hitler. The closing session of the league saw adoption of a motion requesting the State Department to demand that the Nazi government

recall Wiedemann. Vice Pres. Martin Hall of Chicago cited Wiedemann's exposure as confidant of defendants in the recent New York Nazi trials.

The league also addressed to President Roosevelt a message telling him of its support for his foreign policies and "the democratic ideal" in the name of 100,000 German-American members. The league previously called upon the German people to overthrow Hitler as "destroyer of reputations of good Germans."

TO SEND PLANNER EAST
TO STUDY ROAD DESIGNSupervisors Appoint
Selves To Serve On
Transit Group

After a dispute with County Executive Frederick Peterson, the board of supervisors Tuesday voted to send Ronald Campbell, county planning engineer, East to study modern highway design and transportation methods in Chicago, Boston and New York. The board, acting on recommendation of the planning commission, requested Joint Highway District 10 to share the expense, estimated at \$600.

They likewise named themselves a committee of the whole to serve with members of the San Francisco Board of Supervisors as a study and steering committee in development of plans to speed up Peninsula rail and highway traffic to the metropolis. The action was taken at the request of Supervisor John A. Lynch, delegate from the meeting last week in San Francisco attended by San Francisco and Peninsula representatives.

STATE'S FAULTS HIT

Peterson objected to the plan to send Campbell East on grounds that major highway construction in San Mateo County is undertaken by the State Highway Commission, which, he said, is thoroughly familiar with modern trends.

In answer, Chairman H. H. Smith declared that the outstanding example of poorly constructed highways in the nation was the Bayshore Hwy., constructed by the state through San Mateo County. He decried it as a death trap, ridiculously old-fashioned even 10 years ago when it was built.

Smith contended that Col. John H. Skeggs, division state engineer, even balked at division of the Junipero Serra Blvd. extension until convinced by representatives of San Mateo County. Campbell designed the cross-section of the Junipero Serra Blvd. extension, Lynch pointed out.

PETERSON FAVORS GRANT
"If he was responsible for planting the right-of-way stakes, maybe he needs some lessons," Peterson countered.

Lynch explained that it was the state that surveyed the proposed right-of-way south of San Bruno, later abandoned after property owners voiced objections.

Peterson argued that if anyone were to be sent East, County Engineer M. A. Grant should go. Grant said as a member of the planning commission, he recommended that Campbell be sent. "Mr. Peterson is deliberately trying to muddy the water," charged Supervisor Fred H. Beer.

D. C. MAN ON NAZI SHIP
BURLINGAME, Sept. 7 (AP)—Jerry H. Williams, 28, Daly City, was reported today on board the ship, Portland, one of the German vessels unreported in the Pacific. Williams signed on the ship a few weeks ago as a baker.

LEGAL

William M. Malone, Atty.
NOTICE OF HEARING OF PETITION TO MORTGAGE REAL ESTATE.

No. 8276—Sept. 2

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Estate of KATHERINE KELLY, alias, Deceased.
DANIEL J. KELLY and JOHN J. KELLY, Administrators of the Estate of Katherine Kelly, alias, deceased, having filed herein their verified petition praying for an order to mortgage certain real estate described in said petition, and alleging that it is necessary to mortgage the said real estate to pay the debts outstanding against said deceased, the debts, expenses and charges of administration of said estate of said deceased.

NOTICE IS HEREBY GIVEN to all persons interested in the said estate to appear before the said Superior Court on Monday the 18th day of September, 1939, at ten o'clock in the forenoon of said day, at the Courtroom of said Superior Court in Department Two thereof, at the Courthouse, in Redwood City, County of San Mateo, State of California, to show cause, if any they have, why an order should not be granted to the said administrators authorizing and directing them to borrow the sum of one thousand dollars (\$1,000.00) or such lesser amount as to the Court shall seem meet, and the mortgage the real property of the said estate described as follows, to-wit:

COMMENCING at a point on the northerly line of Twenty-fourth Street (formerly Sonoma Street) distant thereon Fifty (50) feet Easterly from the Easterly line of San Bruno Avenue (formerly Nebraska Street); running thence Easterly along said Northerly line of Twenty-fourth Street Twenty-five (25) feet; thence at a right angle Northerly One hundred (100) feet; thence at a right angle Westerly Twenty-five (25) feet; and thence at a right angle Southerly One hundred (100) feet to the point of commencement.

Being a portion of Potrero "We want to send Mr. Campbell East to secure first hand information for projects similar to the Junipero Serra Blvd. Such information may prevent mistakes which would be costly in years to come."

MENLO PARK NEWS

THOMAS STENTIFORD DIES
MENLO PARK, Sept. 8.—Thomas Stentiford passed away suddenly Wednesday morning of a heart attack. Mr. Stentiford was proprietor of the Menlo Park Nurseries on Crane Ave. and had resided in Menlo Park for many years. Some years ago Mr. Stentiford was given the contract by the city to furnish and plant maple trees on all the principal streets of the town. He was a native of England and is survived by his wife and two children, Mrs. A. H. Morgan of San Carlos and Robert Stentiford of Menlo Park. Mrs. Stentiford and Robert are on their way home from the East and will arrive here this morning.

Mr. M. Denton, who passed away last Saturday at his home in Stanford Park, was well-known on the Peninsula. Some years ago he conducted the Peralto Pigeon Farm on the highway and did a thriving business. Mr. Denton is survived by his wife and daughter.

Several young men in town are anxious to go over seas and fight in the European war, but the new neutrality act prevents them from going. Uncle Sam has put his foot down on any attempt of young men to leave the country to battle for anyone else but him. Uncle is right; the last war has taught its lesson.

The Mary Hand new cottage on Mills Ave. has been leased to Mrs. Lois Mitchell, a San Francisco socialite.

The dove season that opened on Sept. 1 and will continue for a month brought disappointment to hunters. The birds are scarce and difficult to shoot. It is believed the lack of rains last Winter is one of the causes for the scarcity.

St. Joseph's Parochial School opened last Tuesday with a large attendance. The institution cannot admit any more pupils for lack of facilities to handle the overcrowded classes.

The old O'Keefe building on the corner of the highway and Oak Grove Ave. is being torn down to make way for three stores to be erected at the rear of the ancient structure.

Miss Meta Kugeler underwent an emergency operation at the Palo Alto Hospital last Saturday. She is recovering nicely and will soon be able to return to her home.

Nuevo Block number One hundred and ten (110).
Reference is hereby made to said petition, filed herein, for further particulars.

Dated September 5th, 1939.

Camino Real Claims Most Traffic Victims

In an analysis of county traffic fatalities, the San Mateo County Traffic Safety Commission has released a statistical summary showing 18 deaths occurred on El Camino Real, 14 on Bayshore Hwy. and 19 on other roads of the county between Jan. 1 and Sept. 1.

The "other roads" classification of fatalities disclosed 5 on city streets, 5 on Skyline Blvd. 4 on the Coast Rd. and 5 at "miscellaneous locations."

Of the 19 pedestrian fatalities reported, 13 occurred on El Camino Real, 4 on Bayshore Hwy., 1 within city areas and 1 in unincorporated areas. All pedestrian fatalities were after nightfall, the report showed. By months, May showed the greatest number of accidents, 10. April showed the least, 4.

Slow flight record for birds is held by the woodcock at five miles per hour.

Dr. Otis Sells R. C. Office to Dr. Leigh

Sale of his optometric business in Redwood City to Dr. Paul R. Leigh, who has been associated with him since last June, was announced here by Dr. R. Lee Otis. The sale was consummated Sept. 1, Dr. Otis said.

Dr. Otis, who with Mrs. Otis will continue to make his home in Redwood City at 253 Lowell St., will continue his office in San Francisco.

**Tax Payments Heavy
As Moratorium Ends**

County Treasurer A. H. Sagehorn has reported that the last day of the tax penalty moratorium brought a record collection of delinquent taxes to his office. On Thursday, last day for redemption of delinquent property under the penalty-free moratorium law, Sagehorn took in \$53,200.16, largest single day's collection by at least 50 per cent, he said. The month's collection of \$76,164.18 was likewise a record, Sagehorn reported.

FIREMEN'S DANCE PLANNED

MENLO PARK, Sept. 7.—Matt Harris Club of Menlo Park today announced it will conduct the annual firemen's dance at Blue Moon Ball Room, Menlo Park, Sept. 16.

In the course of a year's business the 12 Federal Reserve banks will handle about five billion separate pieces of coin and paper money.

You are cordially invited to visit the Bell System exhibits at the Golden Gate Exposition and New York World's Fair.

EL CAMINO REAL AN IMPOSTER?**Palo Alto Tree Is Not the Original Either, Club Speaker Contends**

Is El Camino Real really El Camino Real? Is the Palo Alto Tree really the Palo Alto tree? These were two of the interesting questions raised by Father Thomas J. McKeon of Menlo Park when he spoke before the Redwood City Exchange Club Tuesday on the history of California, particularly with reference to the antiquity of this state's history as compared with that of the East; the romance of the early days, and the importance of the state in the development of the United States.

Raising the question of whether the present El Camino Real actually is the "path" the padres trod, Father McKeon, a student of history, pointed out that the Spanish fathers traveled along the foothills to avoid the mud and sloop of the valleys during wet weather, and that it was unlikely they could have forded either San Francisco or San Mateo Creeks at the points where El Camino Real crosses them now. He contended instead that the present Alameda de las Pulgas, which skirts the foothills, was more likely the original El Camino Real, the route the padres took as they established missions along the coast.

As to the Palo Alto Tree, located along the Southern Pacific railroad just north of Palo Alto, Father McKeon pointed out that it originally was one of two similar tall trees and if it had been the Spanish padres' original "tall tree" they would have referred to the pair as "Palos Altos," not "Palo Alto."

"I think the original Palo Alto tree was somewhere in the foothills," Father McKeon declared. Only proof of what was the original route of the Spanish pioneers would be their old maps, if they

W. H. Girvin Retains Association Office

William H. Girvin, of 1008 Harvard Rd., San Mateo, and formerly of Redwood City, Monday was re-elected secretary-treasurer of the California Shorthand Reporters Association now convening in San Diego. R. B. Whitcomb, San Diego court reporter, was named president.

Girvin is one of the reporters in superior court in Redwood City.

Butcher Shops, Offices To Close on Saturday

Although nearly all Redwood City stores and business houses will be open as usual Saturday, Admission Day, union butcher shops will be closed as their employees enjoy the second holiday of the week along with workers in city and county offices, banks, title

could be found, the pastor explained.

His talk, arranged by the California History Board, was the first of three to be given before local service clubs. The Kiwanians were to hear Atty. John M. Burnett this noon; the Lions, Atty. Joseph Tinney of San Francisco tonight.

3 Houses Entered, Store Suffers Theft

BURLINGAME, Sept. 7.—Burlingame police today were investigating three house breakings in widely separated sections of the city last night, a minor theft in a local store yesterday afternoon, and the burglarizing of a dentist's office during the noon hour today.

A would-be thief who managed to gain entrance to the three local homes apparently gained nothing for his effort except the possible pleasure of pulling kitchen and dining room drawers and taking a peak into one refrigerator.

H. Brunohfer, employee of the Burlingame Meat Co., reported that a watch and fob had been taken from his coat in the dressing room of the market.

Ten dollars in dental gold was taken from the office of Dr. H. E. Foley, 1229 Burlingame Ave., while the doctor was out to lunch.

It is believed that John was the only one of Christ's disciples to escape martyrdom.

companies and like institutions. The post office plans regular Saturday hours, closing at noon. Barber shops will be open as usual.

Flower Week Fiesta Prelude

Redwood City's Chamber of Commerce and the chamber in San Mateo will co-operate with the Burlingame chamber in "Wear a Flower Week," which will be a countywide prelude to the annual County Floral Fiesta.

The "Wear a Flower Week" will be held from Sept. 18 to Sept. 24, overlapping the Fiesta dates, Sept. 21 to 24.

In Burlingame and San Mateo attractive coeds will distribute straw flowers advertising the fiesta, and it is expected that similar plans will be carried out in Redwood City.

Thirty thousand of the flowers will be distributed, too, in San Francisco, many of them to crowds at Treasure Island.

The idea was originated by the Burlingame Chamber of Commerce, president of which is George McQueen, former advertising manager of the Redwood City Tribune.

Australia has produced \$5,000,000,000 in gold.

Nazi Quits Club After Receiving Fictitious Telegram

Capt. Fritz Wiedemann, German consul general in San Francisco and resident of Hillsborough, resigned from the Olympic Club yesterday under conditions which brought embarrassment to club officials.

The resignation was submitted after the consul received a telegram bearing the signature of Frank J. Foran, club secretary, informing him 165 members would resign if Captain Wiedemann did not give up his membership.

Capt. Wiedemann, who had been a member only 10 weeks, immediately submitted his resignation with a note of thanks for courtesies received. Foran discovered the forgery, disclaimed the telegram, but Capt. Wiedemann said he would allow his resignation to stand to prevent further embarrassment of the club.

Mount Morgan hill in Australia, sold to prospectors for \$5 an acre, has produced \$125,000,000 in gold.

Firebug Blamed For Four Blazes

After a 3½-hour fight against four grass, brush and tree fires which burned simultaneously yesterday afternoon, County Fire Warden Bert L. Werder declared his conviction that the blazes were set.

Shortly after 2 p.m. the county forest service received a call for assistance from the Millbrae department which was combating three blazes. The most extensive, on Millbrae Ave., was found to be blazing in five places. Thirty trees were scorched badly by the blaze.

Another fire was burning one-half mile south of the Millbrae Ave.-Skyline Blvd. junction, and a third the same distance north of the intersection. Neither caused much damage.

The fourth alarm came from the junction of the Polhemus and Sawyer Camp Rds., north of the County Relief Home west of San Mateo. The blaze was the seventh in that area this year, Werder reported.

The fire warden said he was unable to find any clues to the identity of the suspected incendiary.

There actually are white blackberries.

WE BUILD IT STRONG

We build and maintain our telephone plant to give you the best of service all the time. The whole Bell System is organized to give you what you want: communication by voice with anyone, anywhere, anytime — courteously, dependably and at low cost to you.

YOU CAN PLAN IT THIS WAY

ADEQUATE WIRING for ELECTRILIVING

Here is a practical common sense way to make sure of good wiring in your home. Plan your convenience outlets where they will fit in best with your furniture. Are there enough outlets to serve the lamps, clocks, radios and other electrical appliances we all use in this day of ELECTRILIVING?

Are these outlets in the right places so that you will not have to run long cords along walls? Planning house wiring according to furniture arrangement in each room is the practical way to get a good wiring job.

Trying to get light and operate a washer and iron from a light socket cheats you by causing voltage drop.

Light is dimmer and toaster slower if you do this in your kitchen. This double plug ugly is a robber.

Down goes electric pressure when a three-way plug is used. Causes lights to go dim or blink.

Avoid the make-shift of double and triple plugs in the home you are building or remodeling. Give your electrical contractor an honest chance to do a complete and adequate wiring job. Remember a low price on a wiring job like a low price on most anything is not always the best bargain.

SEE YOUR ELECTRICAL CONTRACTOR

Ask him about the RED SEAL PLAN of CERTIFIED ADEQUATE WIRING

Mary Lanfear Passes Away

Mrs. Mary E. Lanfear, resident of Redwood City for more than 25 years until two years ago when she moved to San Francisco, passed away Monday afternoon in that city of complications which followed an operation.

Mrs. Lanfear, a native of New York, was the wife of Arthur H. Lanfear and the mother of Mrs. Mary Molison, Mrs. Rose Michael and Arthur Lanfear of Redwood City, and of Mrs. Helen Derrickson and James, John and Della Lanfear of San Francisco. She was the sister of Mrs. Joseph Schilling of Lansdale and Mrs. Emma Sainsot of San Francisco.

Funeral services will be held Thursday at 9 a. m. at the Arthur J. Sullivan & Co. parlors, 2254 Market St., San Francisco, followed at 9:30 by requiem mass at St. Paul's Catholic Church in San Francisco. Burial will be in the family plot in Holy Cross Cemetery, Menlo Park.

JANE WOODMAN ENJOYS BIRTHDAY IN SANTA CRUZ

PESCADERO, Sept. 7.—Mrs. Ralph Woodman and daughters, Jane and Sally Woodman, Misses Hilda and Gerry Quadro, Kenneth Avery, Ray Del Cielo, Houston Of. fill, Jack Sisco, and Tom Steele were in Santa Cruz Monday night celebrating Jane Woodman's birthday.

Law Prescribing Health Board's Duties Repealed

In a surprise move taken at request of Dr. C. C. Gans, health and welfare director, the board of supervisors Tuesday afternoon rescinded a 1933 ordinance prescribing the duties, methods and procedures of the board of health and welfare and of the director of health and welfare and of the director of health and welfare.

Chief effect of the repeal, according to Asst. Dist. Atty. Daniel E. Sullivan, was that it removed a requirement that the health director attend the monthly meetings of the health board, and left the board free to schedule its meetings at any time and place. The ordinance specified it must meet on the first Tuesday of each month at Community Hospital.

Special significance was attached to the action of the board because it came when the health board was preparing to nominate a director, Dr. Gans' term having expired. Sullivan said the powers and duties of the health board originated in the charter and the ordinance had

no special effect. It was passed, he said, during the regime of Dr. Harold E. Morrison as health director to force him to attend health board meetings.

The supervisors also repealed their circus ordinance by passing an amendment removing all exceptions to a license fee of \$100 for the first day, \$75 for each day thereafter for circuses of 4000 seating capacity and over.

The error by which the board repealed the wrong sections of its ordinance, allowing the Ham 'n' Eggs Circus to come to Redwood City on a 50-cent license fee, was explained by Sullivan. The board adopted the ordinance as specified, he maintained, eliminating exceptions and prescribing high fees, but by error the original and uncorrected draft of the amendment was printed. In effect, he said, the board never passed an effective amendment.

Despite warnings by Atty. Gen. Earl Warren that the State Soil Conservation Act may be uncon-

tinual, the board prepared to hold an election Sept. 26 in the proposed San Mateo County Soil Conservation District. Election officers' pay was set at \$5 and polling places were designated.

The board adjourned to 11 a. m. Tuesday.

Woman Is Wounded At Target Practice

Mrs. Isabelle Bennetts, 31, wife of a San Mateo pharmacist, was in a San Mateo Hospital today suffering from a bullet wound in the leg. According to the sheriff's office, Mrs. Bennetts was target practicing at Sharp Park Saturday morning with an automatic revolver and accidentally shot herself.

Sheriff James J. McGrath recently launched a campaign against target shooting on the Coastside following death of a San Francisco youth accidentally shot in the head by his companion.

Catherina Pucerdio Is Taken by Death

Mrs. Catherina Pucerdio, 85, of 461 Iris St., Redwood City, died at Community Hospital Monday after an extended illness. She had

been in the hospital since June. Mrs. Pucerdio, a native of Italy, is survived by a daughter, Mrs. Amelia Pagano of Redwood City. The body was taken to Valente, Marini, Perata & Co. in San Francisco.

R. C. GIRLS ARE MODELS

Three pretty Redwood City girls were among the dozen models who paraded new fashions before a critical crowd at Rio Del Mar Sunday afternoon. Miss Mary

Schmidt, 816 Hopkins Ave., a student at Dominican College, San Rafael; Miss Lizette (Dotty) O'Brien and Miss Polly O'Brien, 133 Lowell St. all modeled outfits for street, campus, sports and formal evening wear.

Building Shows Further Gains

Atherton and Menlo Park building activity during August continued its 1939 increase over the former year, as the two communities reported a total of \$76,525 in permits issued for new construction.

The total value of permits issued was almost equal. Atherton reported \$37,125 in new buildings while Menlo Park's construction was \$39,400.

Following were permits issued in Atherton:

Hazel Grant, dwelling and garage in the Selby Tract, Stockbridge Ave.; builder, R. Milward, \$11,000.

B. B. Grunwald, dwelling and garage in Atherton Oaks; builder, William Klay, \$12,000.

A. A. Strange, residence in Lloyden Park; builder, G. Bliss, \$6,000.

William Payne, stable and six stalls; builder, A. Matlock, \$3,000.

Henry Shaw, tennis court on Alameda Ave.; builder, L. J. Clements, \$1,500.

Jose M. Alonzo, garage and workshop on Fair Oaks Ln.; builder, H. H. McDonald, \$2,000.

G. H. Lewison, guest house on Amador Ave., \$1,000.

E. R. Leroy, horse stable on Glenwood Dr.; \$425.

Mrs. Hilda R. Rossi, garage on Selby Ln., \$200.

Permits for buildings in Menlo Park were:

J. Avery Smith, dwelling in Pierce Tract; builder, A. J. Wilber, \$8,000.

E. E. Curtis, dwelling on Laurel Dr.; \$5,000.

J. H. Duckworth, home at 300 Yale St.; builders, Palmer & Tibbs, \$4,900.

H. A. Knight, residence and garage in Stanford Park; \$4,000.

Huntington Kingsbury, residence in Felton Gables; contractor, D. D. Robertson; \$9,500.

William Corbus, residence in Felton Gables; builder, D. D. Robertson; \$8,000.

Safety Groups Set Joint Meeting Friday

San Mateo County Traffic Safety Commission and the San Mateo County Traffic Safety Council will hold a joint meeting Friday at 8 p.m. in the supervisors' chambers, courthouse annex, Redwood City, according to Mrs. Bessie B.

Hayes, secretary of the commission. It was anticipated the two groups would study plans to check the increasing auto traffic death toll in San Mateo County.

Sales in dollars of independent retail apparel stores in 27 states declined 9 per cent in 1938 compared with 1937, reports the Department of Commerce.

Hans Rasmussen Is Taken By Death

Hans Rasmussen, 81, resident of Redwood City for 45 years, died on Tuesday at a San Mateo hospital after an illness of four months. He leaves a wife, Anna; two sons, Carl Rasmussen of Red-

wood City and Roy Rasmussen of Los Banos; and a daughter, Mrs. Carrie Lanfear of San Francisco. The Rasmussen home is at 630 Vera Ave.

Most snakes can live on one good meal a season. One "square meal" a month makes them thrive.

U. S. snuff sales in 1938 were 32 times those in 1870.

FINAL DECREE AWARDED

Mrs. Ruth Marion Ford today secured a final decree of divorce from Tipton R. Ford, 34, former Hillsborough fireman sentenced to San Quentin by the superior court in San Jose on charges of assault with a deadly weapon growing out of a Palo Alto shooting affray.

Let a Classified Ad sell it for you.

NATIVE SONS AND DAUGHTERS
PLAN 4 ENTRIES IN S. F. PARADE

Redwood City will be well publicized in the Native Sons and Daughters' Admission Day parade in San Francisco Saturday.

Members of the local lodges disclosed here that they will have four entries in the parade which will march down Market St., beginning at 10 a. m.

The most elaborate of the entries will be a western cabin built of redwood on a truck. The Native Sons Hill Billy orchestra will ride on the float and play musical selections.

The 1909 red Ford used in the recent library and city hall dedication parade will be converted into a honeymoon car, with Louis Lodi, Eddie Randolph, H. E. Holmquist and George Gilest again enjoying the ride from the Civic Center to the Ferry Building.

The San Mateo County Sheriff's posse of nearly 30 mounted officers will be the third of Redwood Parlor 66's entries.

The Native Daughters of the Golden West, Bonita Parlor 10, will enter their newly-uniformed drill team, led by Jesse Fraser as Captain and Mrs. William Gross. They also have written lyrics for the songs. Music is by Ruth Robleto. Dances are being directed by Lillian Wiehr. Others of the organizing committee include H. A. Brown, Al Kremer, R. E. Savage, C. E. Potts, W. A. Harper, the Rev. Schuyler Pratt; Mesdames R. E. Long, Frederick Black, A. B. Poole, J. J. Kraft, George Guntli, R. E. Savage, T. B. Palmer, C. G. Lam.

On the committee for the event are Lodi, Randolph, Clarence M. Junker, Ernest Locatelli, Wayne R. Millington, Eugene Cerqui, A. S. Ligouri and Ralph Dodge for the NSGW and Agnes Lodi, Belle Lodi, Martha Bernasque and Madeline Bartolomei for the NDGW. Expenditures by the local lodges for the entries is expected to approach \$500.

Following the parade, Native

Sons and Daughters, 25,000 strong, will "take over" Treasure Island for the afternoon and evening as part of the order's 89th anniversary celebration of California's admission to the union. A special program is being arranged as a performance of "Cavalcade," featuring historical attraction of the exposition. A ball at the California State Building, at which Jesse H. Miller and Orinda Giannini, grand presidents of the two orders, will be honored guests, will conclude the day.

bert, T. L. Williams, T. L. Thompson.

Although the cast is pretty well decided on, a number of children under 6 years of age are needed, as are adults who will portray the parts of the Redwood City pioneers whose descriptions are yet to be obtained. The latter would learn no lines, but merely participate in a promenade of the early-day citizens, which will include also Charles N. Fox, James Crowe, Senator Felton, Jimmy Van Court and others.

A cast of 190 is to be in the pageant, comprised of 12 scenes and expected to take two hours to present.

New Addresses

New addresses recently filed at the Redwood City Water Department include the following: Lawrence Tuft, 506 Oak Ave.; Mrs. R. B. Grunwald, Live Oak Lane; Roy J. Ruls, 537 Quartz St.; A. H. Menegau, 263 Roosevelt Ave.; J. H. Ronk, 509 Alameda de las Pulgas; George H. McCarthy, Springdale Way; E. Redinger, Lakeview Way; George M. Shannon, Vista Dr.; William Donnelly, 1151 Fay St.; William Hope, Oakdale Way; J. Q. Adams, 1514 Oak Ave.

About 90,000 safety razor blades are used annually in Hollywood studios for scraping and splicing film.

Disputes before the city council recently regarding existing ordinances led to the official board authorizing appointment of a committee Tuesday to give study to possible changes in several city laws.

To be considered particularly, according to a recommendation by City Manager Dimmitt which met approval, are the control of animals, fowls and insects, subject of recent "hearings" before the council; possible changes in the ordinance requiring construction of sidewalks with new houses—a law which, it was disclosed, is being consistently violated by a number of contractors; and fire regulations.

On motion of Councilman McNulty, second of Councilman Anderson, the motion passed with one dissenting vote—that of Councilman Hohn, who wanted all the city's ordinances studied with a view to change.

"Either do it all, or nothing," he maintained.

On the committee will be Councilmen Anderson and McCarthy; Building Inspector Duncan; City Attorney Mansfield, and City Manager Dimmitt.

BILLBOARD PERMITS AGAIN DENIED

Redwood City's council is as determined as ever that it has more than enough "billboards," it indicated Tuesday as it rejected flatly an application of Foster & Kleiser to erect two signs to replace a pair recently lost through sale of property. In addition, the council delegated a committee to study a permit to move three other existing boards to new locations.

Councilman George McNulty appeared to have sounded the keynote of the council's opinion when he declared: "I want Foster & Kleiser to get it out of their heads that they have a right to 42 or 43 billboards, or whatever number it is. When they have some to come down, they have just that many less here."

The action to refuse permits for new ones passed unanimously, but it was agreed that Mayor Christensen and City Manager Dimmitt might investigate suggested new locations for three other existing "poster panels" before the council acted on permits for them.

THREE ROAD PROJECTS PLANNED WITH GAS FUNDS
The \$8800 Redwood City receives this coming year from its share of the state gasoline tax fund will be used on three projects, the city council decided in approving a recommendation of City Manager C. L. Dimmitt.

Resurfacing of Middlefield Rd. from Main St. to Jefferson Ave. (in front of the city hall and library) will cost an estimated \$4902 for construction; \$500 for plans and surveys. Straightening of Valota Rd. will cost an estimated \$1050 for rights-of-way, \$50 for surveys, \$600 for construction. The remaining \$2000, approximately, will be given back to the state to aid in its purchase of rights-of-way for the El Camino Real widening.

BRIDGING CREEKS APPROVED BY COUNCIL

Bridging of Smith Slough and Corkscrew Slough so that a road may be constructed to Blair Island to open up new harbor lands for industrial development met approval of both the Redwood City City Council and the Board of Port Commissioners.

In separate sessions in the city hall, both approved a recommendation of City Manager Dimmitt that no objections be voiced to bridging of the creeks, as recommended by the county supervisors, and that the move be favored and actively supported if needed.

POSSIBLE CHANGES IN ACCOUNTING SEEN

Mayor Christensen, at suggestion of Councilman McCarthy, appointed McCarthy and Councilman Anderson on a committee to study the new audit of the city's accounts by Lawrence Scudder & Co. through C. G. Uhlenberg, a representative, to see if new accounting procedure is needed, especially in the system of the Port of Redwood City. Also on the committee are to be a port commissioner, Port Manager Rudy, City Attorney Mansfield and City Manager Dimmitt.

FLAGMEN'S REPLACEMENT BY SIGNAL PLANNED

Replacing of the human flagmen and existing "lower quadrant" wigwags at the Spruce St. crossing in Redwood City with two "upper quadrant" wigwags with two-train indicators, automatically operated, as proposed by the Southern Pacific in a letter to the council, met the city board's approval. J. J. Jordan, S. P. superintendent, said the change permits removal of the watchman's cabin and tool house to provide a clearer view for motorists.

FLASHER SIGNALS FOR HIGHWAY URGED

Possibility of installing "flasher" signals on El Camino Real some distance on each side of Brewster Ave. to slow down traffic on the highway was considered at length after being mentioned by Councilman McCarthy, with City Manager Dimmitt being instructed to take up with the State Highway Commission the possibility of having the signals erected.

Other transactions: Granted W. H. Sadler permission to utilize his full 131-foot lot at El Camino Real and Lincoln Ave. for business property, the city zoning laws providing that only 125 feet may be used. He desires to utilize all the lot, he explained, because he is constructing his new building with a 27-foot setback in anticipation of widening of the highway. Similar exceptions to the zoning law have been made for other business firms.

Accepted an invitation from Burlingame Chamber of Commerce to attend a luncheon meeting Sept. 22 to discuss transit problems with other San Mateo County and San Francisco officials. Granted J. L. Ross permission

Youngster Wounded On Hunting Trip

Jack Amberg, 13, son of Mr. and Mrs. W. J. Amberg, 639 Pine St., Redwood City, was in Mills Memorial Hospital this week suffering from a bullet wound in the leg. Young Amberg and three other boys were returning from a hunting trip near Woodside Tuesday afternoon when a .22 calibre rifle carried by Alfred Aluvietti, 13, 1916 Middlefield Rd., Redwood City, accidentally discharged, the bullet striking Amberg, according to the sheriff's report. Aluvietti was questioned and released.

The physician who attended the boy said the bullet was lodged in the bone above the knee and probably would not be removed.

San Joseans Heads Italian Federation

Succeeding Deputy District Attorney Louis B. Dematteis of Redwood City, Louis Providence of Fresno today headed the Italian-Catholic Federation, as a result of his election as grand president at the closing session of the annual convention in San Jose.

Edward E. Craig, Atty.
SUMMONS
No. 30097

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

RUBY ALEXANDER, Plaintiff,
vs. PRESTON ALEXANDER, Defendant.

Action brought in the Superior Court of the State of California, in and for the County of San Mateo, and the complaint filed therein within ten days (exclusive of the day of service) after the service on you of this summons, if served within said county, if served elsewhere within thirty days.

And you are hereby notified that if you fail to so appear and answer, the plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract, or will apply to the Court for any other relief demanded in the complaint.

Witness my hand and the Seal of the Superior Court of the State of California, in and for the County of San Mateo, this 6th day of July, A. D. 1939.

W. H. AUGUSTUS, Clerk.
By AMY R. HOLMES, Deputy Clerk.

Published in the Peninsula Beacon July 7, 14, 21, 28; Aug. 4, 11, 18, 25; Sept. 1, 8, 1939.

to display used cars in the lot on El Camino Real near Hopkins Ave. in connection with his new car dealership.

Accepted deed for 9½ acres of harbor lands from Valley and Coast Warehouse Co., the last payment of \$4625 having just been made by the city for the property.

Girls' Dean In College Post

As nearly 1600 students registered on the first day of school Tuesday at Sequoia High School, and with an anticipated 50 or 75 yet to enter, two sudden resignations by instructors confronted the administration.

Miss Camilla Low, dean of girls for the past three years, tendered her resignation to accept a position as assistant professor of education at the University of Wisconsin.

Principal A. C. Argo said Miss Doris Dean, head of the girls' physical education department, would be acting dean of girls until some action is taken by the board of trustees at the next meeting on Sept. 11.

LEAVE IS GRANTED
The second vacancy was created when Miss Phebe Ward, instructor of social living for the past two years, requested and was granted a six months' leave of absence to do educational work with a major oil company.

Miss Jocelyn Williams, a Sequoia graduate, will teach Miss Ward's classes in social living. Miss Williams, who took her A.B. from Stanford University, has just finished two years' graduate work at Columbia University, Argo said.

Verne Lahey, originally contracted to teach part time, will take over part of the duties of both of the resigned instructors.

LIBRARY UNFINISHED
Another problem, which will be terminated with the completion of the new library unit the latter part of this month, is the lack of library facilities. Meanwhile, Argo said, the city library is co-operating. The principal also pointed out that many of the individual rooms had unit libraries.

"We'll have to get along as best we can for a short while, but the situation will not be much worse than it was with the old library, anyhow," Argo declared.

Miss Ellen Adams, attendance secretary, reported 1599 students had registered at the close of school yesterday and the figure stood at 1634 at noon today. Maximum total enrollment last year (which includes every student who attended Sequoia) was 1837. This figure, Miss Adams predicted, would be surpassed by more than 100.

Enrollment through yesterday by classes, and not including nearly 100 who failed to register although their transcripts are in.

CONVICT'S PLEA IS DENIED

Application of Frank L. Brown of Yakima, Wash., for executive clemency was denied yesterday by Governor Olson. Brown was convicted of assault with a deadly weapon after he attempted to rob the Sunshine Garage in San Mateo Aug. 16, 1924. He was shot through the lung, escaped, and was found later in a critical condition in a San Francisco hotel.

The above is a very rare view showing both the American Falls to the left of the "Flagship" of American Airlines, Inc., with Niagara's rushing waters to the upper right. The highways and walks in the foreground are on the Canadian side.

Mighty Niagara Falls is the mecca for tourists and honeymooners from the world over.

Evening Fire Razes Woodside Rd. Home

Fire which started in the rear part of the place damaged probably beyond repair the home of Robert Murray on Woodside Rd. at Murray Ave., adjacent to the Washington School, at 8 o'clock Sunday night.

Murray, sole occupant of the 35-year-old dwelling, was at a thea-

ter when the blaze broke out, having left the house nearly an hour earlier. Furniture of the home and nearly all of Murray's personal effects, including valuable papers, were destroyed.

Richard Hoeneck, who lives across the street, discovered the fire when he saw flames leaping

out the window. By the time firemen arrived, the side of the house was ablaze.

Murray theorized that the fire started either from wiring that had become faulty, or in the chimney since he had burned an accumulation of papers and kindling in his kitchen stove earlier in the day. The loss, which firemen said might be less than \$2000, was covered by insurance.

Engineer's Report Given

San Mateo County Road Department expended \$256,186.58 in 1938-39, according to the annual report released for publication today by County Engineer M. A. Grant. Receipts included \$192,995 from the state motor vehicle fuel fund, \$53,465 from the motor vehicle fund, \$80 bus and truck taxes, and from miscellaneous sources \$12,356.

Value of equipment on hand at the end of the period was listed at \$41,472, compared to \$73,274 at the first of the fiscal year.

The department contributed \$118,200 to sponsorship of WPA costs on road projects.

Major items included completion of the \$35,389 "farm-to-market" La Honda Rd. unit; expenditure of \$14,192 for structures and re-

alignment of La Honda Rd.; \$14,181.47 for clearing, grubbing, excavation and structures on Pescadero Rd.; \$4512 for a wearing surface on Alpine Rd.; \$3842 for paving and draining Brisbane streets; \$1849 for widening Edgemoor Rd.; \$3530 for constructing the Palomar Park bridge, \$6876 for widening, rock and oiling the Old La Honda Rd.; \$12,281 for a reinforced concrete arch culvert on Pescadero Rd.; \$2464 for a new wearing surface on the Tunitas Creek Rd.; \$1866 preparing subgrade and rock Bay Rd.; \$1758 rock roads, installing headwalls, culverts and structures on Arlington Ave. Rd. in Sequoia Subdivision and vicinity; \$10,225 for the Bear Gulch Rd. clearing, base rock, timber bridges and cul-

VIEW NEW AUTOMOBILES

Among dealers viewing the new model Dodges at the Fairmont Hotel in San Francisco yesterday were William M. Werder, Ferris Miles, Charles Rockhold, Rand Butterfield, William Madersbach and Stella Reinero, all from the West Bay Motors Inc. of Redwood City.

verts; \$17,195 for maintenance betterments; \$3124 for Vista Dr., Emerald Lake, preparing subgrade and rock; \$9163 for regrading and paving Linden Ave. at South San Francisco; \$5000 contribution toward widening of Geneva Ave. in Bayshore City.

Total cost of maintaining county roads and road structures was \$145,157, of which \$54,696 was spent within subdivisions.

Grant was in charge of the department for one-half of the year, U. S. Marshall for the other half.

Poisonous snakes are "milked" of their venom which is used in manufacturing antitoxin.

ANNOUNCEMENT

Dr. Paul R. Leigh

OPTOMETRIST-OPTICIAN

announces that he has purchased the practice of Dr. R. Lee Otis, including all patient record cards, equipment and lease at

12 California Street
Telephone Redwood 2317

Dr. Leigh has installed a complete lens grinding laboratory where he personally makes and designs his own glasses—thus enabling him to give two-day service on all glasses.

Dr. Leigh has also installed some additional equipment of the latest and most scientific type—thus enabling him to make a most accurate analysis of the errors of human vision.
